

THE NATURAL CHOICE FOR EYE CARE PROFESSIONALS

Safe, non-toxic formula with NO irritants

Pure&Clean products contain Hypochlorous (HOCl), a molecule naturally produced by the human body's immune system to fight invading pathogens. Additionally, all products have a long, 24-month shelf-life that is not affected by opening the bottle.

Pure&Clean has been shown in 3rd party testing to be 99.99% effective against:

- Candida
- E.Coli
- C. Diff
- MRSA
- Pseudomonas
- Adenovirus
- VRE
- CRE

PRODUCT GUIDE

LID PREP

Liquid Spray (2 oz) | Hydrogel (2 oz) | Drops (1 oz)

Reduce symptoms of MGD, blepharitis, dry eye, rosacea, and other ocular conditions

- Safe, broad-spectrum, and fast acting
- Effective against multiple organisms*
- Gentle, non-irritating solution
- Great for irrigating and cleansing

HAND PREP

Liquid Spray (2 oz or 8 oz)

A hand cleanser designed for contact lens wearers

- Safe for use around the eyes, nose, and mouth
- Highly effective against bacteria and viruses*
- Won't dry out your hands (actually hydrates them)
- Also great for immediate care of minor wounds, cuts, burns, and skin irritations

SURFACE PREP

Liquid Spray (1 qt or 1 gal refill)

Effectively clean and deodorize equipment and surfaces without harsh chemicals

- Safe and effective for non-porous surfaces
- Won't harm your equipment
- Alcohol free — won't void manufacturer warranties

Do not use on lens surfaces

*Please refer to efficacy chart for more information.
